Y-W8 ADULT SOCIAL GROUP

For Adults aged 18+ with
Autistic Spectrum Condition

Y-W8 is a social group for adults (aged 18+) who live in North London area and are on the Autistic Spectrum

The group is specifically tailored to support adults who have high levels of need and require intensive support.

Adults who have Autism and additional conditions, such as learning disability, conditions that affect them profoundly (severe epilepsy, mental illness etc), sensory integration difficulties and/or can display challenging behaviour, are invited to join this group.

Group members can choose to do cookery, art or music, in an activity focused social group that enables peer engagement in a structured setting.

Come along, meet friends, get creative and have fun!

The group is held weekly on Monday evenings from 5.30pm until 7.30pm and is located at:

Area 51
Mallard Place
Coburg Road
Wood Green
Haringey
London N22 6TS
