

## Cupcake Recipe!

measure 125  
grams of flour

measure 125  
grams of butter

measure 125  
grams of sugar

put the butter and  
sugar in a big bowl

mix!

use a sieve to put  
the flour in the bowl

crack 2  
into the bowl

mix!

put cupcake cases  
in the tray

put the cupcake  
mixture into the  
cupcake cases

only fill the cupcake  
cases half way

ask an adult to put  
them into the oven

be careful, the  
oven is very hot!

set a timer for  
20 minutes, wait for the  
alarm to ring

ask an adult to take  
the cupcakes out of  
the oven
